

## Family Inspired.

We provide Home Safety Evaluations, specializing in helping seniors “live in place.” Evaluations improve security, reduce falls, and prevent accidents. We understand the unique challenges of family caregivers.

## Mission Minded.

Our mission is to enhance seniors’ quality of life by providing compassionate home safety and maintenance solutions, ensuring a secure, comfortable, and independent living environment.

## Client Focused.

- ✓ Home Safety Inspections
- ✓ Safety Installations
- ✓ Monthly Maintenance
- ✓ Contractor Management

### Coming Soon:

### Trustworthy

We use transparency and communication to build your trust.

### Respectful

We treat you the way we expect professionals to treat our own parents.

### Intuitive

We have a keen understanding of solutions that might enhance your life.

### Cost Effective

We seek affordable solutions and offer packages that fit most budgets.

### Stress Reducing

You know what needs to be done, and we offer the manpower to do it.

### Responsive

We ask questions and seek feedback to ensure you get what you need.

# SERENITY SENIOR HOME SAFETY SOLUTIONS

When you choose to work with our family, I guarantee that we will treat you like our own loved ones. We started Serenity Senior Home Safety Solutions because we see the need first hand. "Living in Place" is possible for most people over 60, and we want to help you live happily, safely, and independently- all on your own terms.
